To Whom It May Concern:

The purpose of this letter is to provide feedback on the work done for me by college works painting from June 28 to June 30, 2009.

Initially College Works was presented by Ms. Danielle Browns. Ms. Brown was very professional and explained the options and procedures that College Works offers.

Later Ms. Melissa Montoya continued with offering options that I didn't initially consider.

Mr. Dominick Torres arrived as job supervisor to guide me through the house painting process. Mr. Torres was very professional with me and my questions, and also with his crew. Mr. Torres was here every day checking on job progress.

Mr. Torres was always available to answer my questions.

Mr. Tyler Williams handled the power washing and foundation trenching to start the preparation work.

Mr. Antonio and Mr. Oscar handled the trim & stucco preparation in addition to masking all windows & doors.

Overall the preparation was completed in a very timely manner.

The last day Mr. Antonio and Mr. Oscar completed all painting including 2 coats of paint.

I was very impressed with the quality work done by College Works Painting. I would highly recommend College Works Painting to anyone needing painting services
