My wife and I had the privilege of working with Tobias Frost and College Works Painting earlier this summer. Toby, his crew and the company faced a number of challenges painting our home, including a steep roof and virtually inaccessible corners.

To Whom It May Concern:

My wife and I had the privilege of working with Tobias Frost and College Works Painting earlier this summer. Toby, his crew and the company faced a number of challenges painting our home, including a steep roof and virtually inaccessible corners. He persevered, however, and completed the job promptly, professionally and to our satisfaction. I would recommend him to others and believe they would be as satisfied as we were.

Sincerely,

Thomas D. Hunter
