To Whom It May Concern:

We are very happy to be writing this letter of reference for Bryce Browning.

First of all, we would like to express our pleasure in the quality job Bryce and his team delivered in painting our home. From the initial meeting, Bryce and his associates represented themselves in a professional, caring, and honest manner. We were impressed with the detailed attention our home received during the initial walk-around. We were very satisfied with the comprehensive and detailed estimate.

There are always unforeseen challenges that surface in any aspect of life and business. Bryce faced a sang at the beginning of the job, but was able to quickly respond and move forward with little time lost. Throughout this process Bryce demonstrated strong accountability. He made himself available daily for questions and feedback. At the close of each day, Bryce walked every inch of our home and to ensure anything overlooked was corrected. We are very pleased with the job he and his team did. our home looks amazing.

In short, we would like to say Bryce is off to a great start as a business entrepreneur. His manner of communicating is direct and effective. He has genuine concern for his clients and quality establishes a good working relationship with them. We have no doubt he will be successful in future business ventures. We have already made a reference to our friends down the street and understand they have a second meeting with an estimate scheduled.

Keep up the great work. It has been a true pleasure working you!

Sincerely,

Mark and Diana Scarano
