I want to congratulate you and your team for a job well done. The first meeting, you went over all of my options with the type of paint and the cost breakdowns.

Toby,

I want to congratulate you and your team for a job well done. The first meeting, you went over all of my options with the type of paint and the cost breakdowns. You were very willing to work with me to stay in my budget I truly appreciate that You also were very good at keeping me apprised of the time line for the work to be done.

Your team was on time, even early one day, to begin the work. The team members were polite and finished their job on time. The painting that was done looks very nice and professional. They cleaned up their work materials when they finished.

I want to extend my thanks to you and your team for a job well done. You did a fabulous job supervising your team. I appreciate all you have done and would recommend your team to other neighbors.

With thanks,

Deanna Totten
