

College Works Painting Reference Letter  
Joe and Barbara Beeler

It is a pleasure to be able  
to note how pleased we are with  
the painting work done at our  
home by College Works Painting.

To whom it may concern,

It is a pleasure to be able  
to note how pleased we are with  
the painting work done at our  
home by College Works Painting.

Reggie Jooke and the entire crew  
were entirely professional and  
pleasant. They took great pride  
in their work and were eager  
to please us.

We would have no qualms  
about recommending Reggie and  
his crew.

Sincerely  
Joe and Barbara Beeler
