Dear College Works Painting:

This letter is to inform your agency that I was satisfied with the painting supervised by Ray Cruz.

Ray coordinated the painting of the back of my house in July, 2009. This crew performed a satisfactory job, and the job was complete within the time specified on the contract. Both Ray and his crew were always polite and professional. They did a good job cleaning up, and did not damage any of the landscape surrounding the back of the house.

I appreciated Ray's consistent communication and follow up; it's not always easy to reach me, and Ray did not get discouraged-he was always polite and friendly. Good Job!

Sincerely,

Courtney A. Peterson

Crew:

- Jorge
- Christian.
