I was very pleased to meet Henry Sieman. The initial meeting was to give us an estimate for the painting of our deck.

To Whom It May Concern:

I was very pleased to meet Henry Sieman. The initial meeting was to give us an estimate for the painting of our deck. Henry was very professional. We decided to employe him to paint the deck.

He arrived with Dan Spadola at 8:30 A.M. on Friday and Dan started the painting process. I am very happy with Dan's work. Our deck looks great!.

I would highly recommend Henry and his worker, Dan Spadola, to anyone who might need a painting job done.

Sincerely,

Diana Harter
