Dear Jarric:

I wanted to thank you for the excellent job that you and your colleagues did painting our house. I was very pleased with the original quote, preparation, and daily updates. You and your staff were extremely professional, and I appreciated the fact that you kept me apprised of any issues that might have needed to be addressed along the way.

We have received many compliments from neighbors on how well the house looks, and I wanted to let you know that I passed along your contact information to some of them. Hopefully it will lead to some business for you and your company.

Once again, thank you for doing such a great job on our house. Should you ever need a reference from any prospective client, please feel free to contact me.

Sincerely,

Reed Lloyd
