I wanted to thank you and your crew for doing such a nice job painting the exterior walls and trim of my two story house and big front porch this past summer. You guys did a terrific job. I would be pleased to hire your crew for future work, and will recommend you to any who ask my opinion.

Dear Jimmy Georgantes,

I wanted to thank you and your crew for doing such a nice job painting the exterior walls and trim of my two story house and big front porch this past summer. You guys did a terrific job. I would be pleased to hire your crew for future work, and will recommend you to any who ask my opinion.

In particular, beyond the fine quality of your work, my family and I found your team to be very polite and friendly. I know it was a long wet summer, but despite the rain delays you all remained cheerful. And my 100+ year old house now looks almost new again!

Thanks again, Jimmy, and have a great year back in school –
