Fair Lawn. NJ 07410

We are writing in reference to the job provided by College Works Painting on our home on June 25,2008 under the supervision of Mr. Brian Nardi. After a day of power washing, we had the aluminum siding painted on our Cape-Colonial on the peaks and front dormer.

June 26, 2008

To Whom It May Concern:

We are writing in reference to the job provided by College Works Painting on our home on June 25,2008 under the supervision of Mr. Brian Nardi. After a day of power washing, we had the aluminum siding painted on our Cape-Colonial on the peaks and front dormer.

It was a very hot day and the crew was courteous, punctual and very hard working. A few small spots had to be re-painted and Brian and his crew worked together and stayed until the job was done! Brian was a constant presence and communicated with both his crew and with us every step of the way.

The finished product looks fantastic! We would highly recommend College Works Painting and have asked Brian for some business cards for future recommendations. Everything was handled very professionally.

Sincerely,

Frank and Laura Slawson
