I contacted with Brad Rauer of College Works Painting to paint the trim, eaves and some doors of my masonry house. In particular the result on a big double-size garage door was greatly appreciated, especially a considering the worn condition of previous paint jobs.

PA.

To whom it may concern:

I contacted with Brad Rauer of College Works Painting to paint the trim, eaves and some doors of my masonry house. In particular the result on a big double-size garage door was greatly appreciated, especially a considering the worn condition of previous paint jobs.

Brad was considerate of and responsive to my question and concerns about the job. He was easy to talk to.

College Works Painting can be a consideration when and if have my house painted again.
