Thanks for a job well done! We are very pleased that we contracted with your company to paint the trim on our rental property at 1021 and 1017 South Atherton Street in State College. The team of painters did an excellent job preparing, painting and cleaning up. We're glad that we took your suggestion to power wash the entire building. It certainly improved the overall appearance and the back wooden deck looks 100 times better as a result. We felt that that price was very reasonable, especially considering the work involved. Everyone was polite and easy to deal with, and the job was done within the promised time frame.

Thanks again for your work!
