Dear Mr. Arndt:

This note is to let you know that Mildred and I are very pleased by the job done by College Works in the recent painting of our house and we thank you and your painters. We are very pleased. The work was excellent in every way: in the actual painting, in the time required to do Works people.

We have lived in our present house for 50 years. During that time it has been painted about four times but none of the jobs could be classed as excellent like June 2006 done by College Works. Our neighbors have referred to our newly painted house as "beautiful" and so do our friends who visit us.

In closing, I mention that we liked the use of high quality Kelly Moore paint. In my view this selection matches the high quality of everything about College Works.

Best wishes for a great summer.

Sincerely,

Edward E. Butler

The work was excellent in every way: in the actual painting, in the time required to do the job, in the neatness of the work place, and the cooperation with us of all of the College Works people.
