To Whom It May Concern:

I had a pleasure to meet Jill and Pantea as well as the painters for a job that was done in my house this past week. It was a great experience, everything went as planned.

Jill was always in touch with us to explain all the details involved in the project, the materials to be used and the advice about what was best for us. The financial aspect was openly discussed in advance and no major variations were added to what we expected.

At the end we were very pleased with the final results, the material used and Jill's supervision. The whole crew, including the painters did a fantastic job.

My wife and I are very happy to have this nice and efficient People working in our home.

Thank you,
