We contracted with David Steckel to clean our house. To paint one side of the east wall. To clean and stain our deck.

To Whom It May Concern:

We contracted with David Steckel to clean our house. To paint one side of the east wall. To clean and stain our deck. I found David and his laborers to be quick and very neat. David was very clear about what we was going to do. He was good to explain what materials he needed and what he was going to do. He approached the job very professionally. He was quick and did all that I asked of Him. I would recommend him for any job.
