College Works Painting

I would recommend David Stiebel  
to any one as future clients.

David was very Professional in  
explaining the Program. Contrast  
and the work they would do in every  
detail.

David called for appointment's and  
worked around my schedule.

Checked the progress of the worked  
& clean up after the job was finished.

I was very please with his work,

Sincerely,

Margaret O. Schneid
