My wife and I engaged 'House Painting by Exceptional College Students' to paint our house.
They did a very good job.

To whom it may concern:

My wife and I engaged 'House Painting by Exceptional College Students' to paint our house.
They did a very good job. They were on time and kept to the schedule. Cameron Wight, Ryan Wilson and Ryan Harrison were efficient, courteous and neat about their work. We felt the rates were very competitive and reasonable.

We would hire them again if we needed more painting done and strongly recommend them to anyone who needs their house painted

Sincerely,

Bill and Patty Rubyl
