

College Works Painting Reference Letter
Mrs. Herald Seng
Northbrook, IL. 60062

I was very pleased with college works painting. They were pleasant and eager to please and acted on any suggestion I had.

I was very pleased with college works painting. They were pleasant and eager to please and acted on and suggestion I had.

I would suggest they use enamel on outside work instead of flat, I believe it _____ better.

They used care in not getting paint all over which I appreciated.
