To whom it may concern,

I am writing this recommendation letter on behalf of Steve Bauer of College Works Painting, for the wonderful painting job he accomplished for my home.

Steve's professionalism, communication and competency were exemplary. I would recommend Steve and his team to tackle the toughest of jobs. The project Steve did was started on-time, and completed on-time with minimal aggravation. The clean-up after the completion of the project was very admirable and thorough.

Please consider using Steve and his team for whatever project you may have.

Sincerely,

William Kestelik
