Dear Sirs:

My home was recently painted by College Works Painting crew from Baytown, Texas.  
The  
Branch Manager is Craig Chauviere and his two man paint crew was Chris Campbell and  
Logan  
Boatright. At first, I was a little apprehensive as how well college students would perform  
and  
how good the quality of the painting would be. However, my fears were put to rest as it  
was  
obvious that the work crew was being very conscientious in their work product and put in  
long  
hours to accomplish the job.

Craig and his crew were extremely polite and courteous and were willing to touch up and  
correct  
any minor discrepancies seen. My wife and I were very satisfied with their  
professionalism and  
workmanship. I would recommend College Works Painting to anyone who needed a  
prompt,  
hard working, "do what you say" professional painting service.

Sincerely,

Bill Allen
