We are pleased to write this reference letter for Zachary Matush. We recently had the pleasure of meeting him one afternoon when he came to our house to introduce himself and tell us about College Works Painting. As we were sitting at our dining room table talking to this nice young man we kept thinking how proud his parent must be of him, going to college and taking on the responsibility of running a painting business for the summer.

After we had talked further we knew that we wanted to work with him. Over the next month he called us several times asking us if we had any questions about painting the house, explaining to us what his crew would be doing and sometimes just to talk. When we were ready to set the date for them to start working he completely worked around our schedule.

On the day they arrived Zachary personally introduced Ryan and Russ to us. He left to check on his other job sites but always kept in contact with his crew to make sure everything was running smoothly.

Over the next few days we had a chance to get to know Ryan and Russ and see a little bit about how they worked. They were very professional and pleasant to be around.

When the job was completed we were very pleased with the quality of work that was done on the house and would highly recommend Zachary, Ryan and Russ on any future endeavors they might encounter.

Sincerely,

Tom and Eileen Wentz
