It is a great pleasure to be writing this recommendation for the crew from College works and their leader Charlie Murray.

I had obtained three other quotes from professional exterior painters, and while another painter could paint for less, I chose College Works for their willingness to work with my time-line.

Charlie gave me a time-window (to account for weather) when he would start the work, and contacted me weekly to keep me apprised. A few days before the job was to start, Charlie visited me and explained in detail the entire process, color selection, power drops, etc.

The crew was very professional and prompt every day. They paid attention to every detail, and overall, did a great job.

I am very pleased with the paint job that was done by this crew from College Works, and highly recommend them.

Sincerely,

Brijender & Nardeep Mann
