I recently had my house painted by one of your branch managers, Meg Boatwright. From the beginning, Meg was outstanding. I first met her when she came to an estimate for me. She answered all of my questions and listened to my concerns. She handled everything very professionally and I could tell she wanted to do exactly as I requested.

To Whom It May Concern:

I recently had my house painted by one of your branch managers, Meg Boatwright. From the beginning, Meg was outstanding. I first met her when she came to an estimate for me. She answered all of my questions and listened to my concerns. She handled everything very professionally and I could tell she wanted to do exactly as I requested.

Meg and her crew, Marcus DeGroff and Adam Randles showed up on time with all of the materials. They kept the jobsite clean and were very polite and respectful as well. They worked efficiently and produced quality work.

Upon completion, they cleaned up and removed all materials. I was pleased with both Meg and her crew. My entire experience was great and my house looks beautiful! They met and exceed my expectations and I was very impressed.

I would not hesitate to hire Meg Boatwright and her crew in the future, I give my highest recommendations.

Please feel free to contact me with any questions. (520-529-2920)

Sincerely,

Elna Moscoe
