

College Works Painting Reference Letter

Jennifer Malossini

It has been a big dream of mine since we bought this old house from 1920 a few years ago to restore and paint the exterior. I can wholeheartedly say that Collegeworks made my dream come true.

To Whom It May Concern:

It has been a big dream of mine since we bought this old house from 1920 a few years ago to restore and paint the exterior. I can wholeheartedly say that Collegeworks made my dream come true.

They are extremely efficient, professional, and very neat, clean and careful. All the managers took time along the way to explain all details and do a fine job of cleaning, preparing, restoring and painting, according to the house's specific needs and my requests.

I couldn't have asked for better people to work with as they busily got on their job each day and made it all quickly come together as a team.

I highly recommend the job manager Dan Newkirk, and all members of the crew Zach Miller, Paul Reckendorf, Chris Hirsh, Todd Goughnour, Zack Dandrea, Jess Karpinski, and Kyle Hartman.

I will definitely use them again in the future,

Sincerely,

Jennifer Malossini
