

College Works Painting Reference Letter
Darryl and Pamela Davis
The Woodlands, TX

My husband and I are very pleased with the painting done by College Works Painting. Christian Lehr has been very good about communicating as to the timeline of the painting and very patient with us as we choose the right color.

My husband and I are very pleased with the painting done by College Works Painting. Christian Lehr has been very good about communicating as to the timeline of the painting and very patient with us as we choose the right color. Christian even went and bought a sample to show us what our new color would look on our house. The men painting did a good job and put things back after they moved them. We are very happy to have chosen College Works Painting to paint our house.
