College Works
Painting

To whom it May Concern:

The young men involved with College Works handled themselves well. They were courteous and diligent.

They started and completed the project on time. My house looked great when they finished and they did not trample one plant in the process. They seemed to be organized and they cleaned up the job area every day when they were finished. The entire project seemed to go well and I am very satisfied with their work.

I would recommend them to anyone that is interested in having their home painted. Albert and his crew were wonderful to work with.

Sincerely,

Deborah Strong
