To Whom It May Concern:

My wife and I contracted with College Works Painting to prepare, prime and paint finish coats on our shutters. The College Works representative, Chaz Bauer, did an excellent job throughout the project.

His efforts included:

- Providing us with a complete estimate
- Explaining the process in great detail
- Maintaining his commitment to the timing of the project deliverables
- Making himself available to answer any questions
- Following up to ensure that we were satisfied with the work

It was also clear that Chaz had selected an outstanding painter. Steve was dedicated, professional and courteous. I would feel very confident recommending Chaz Bauer for a future project.

Sincerely,
