

College Works Painting Reference Letter
Paul Sticker
Tucson, AZ 95748

David and his crew from College painting painted our home on June 5th.

Letter of Recommendation

David and his crew from College Painting painted our home on June 5th.

The crew showed up early to commence their work. The house was prepped the first day and the painting completed the other two days.

I found them to be very meticulous with their work. After each day they cleaned up and removed their paraphernalia from the premises.

On the final day, I did a walk through and found that an excellent job had been done.

I would recommend this company very highly.
