Dear Stacey;

I'm writing you this quick note to let you know that I was satisfied with the painting recently done by the College Works team at my residence in Okemos, MI.

The communication updates regarding the project schedule were very helpful. I especially was pleased with your willingness to work around our vacation plans and the adverse weather. Most importantly, the work performed by Daniel and Pedro was professional.

I would not hesitate to use College Works Painting in the future or recommend them to someone else.

Sincerely,

Steven W. Kindschy
