Dear Chaz,

I wanted to commend you and your crew for the professional painting job you performed for me. I have been greatly impressed from start to finish. You did an outstanding and highly professional job presenting the concept behind College Works Painting and explaining the services that would be performed as part of the overall job. The actual job was performed in a timely and professional manner, with everything cleaned up afterwards. I am very pleased with the services performed.

I would highly recommend your services to others who are looking for painting contractors, and have been very pleased with my overall experience with you. I would be most happy to provide references for you to other potential customers.

I wish you the best in your continued work. The experiences gained will surely serve you well in the future.

Best regards,
