I am pleased to be able to recommend the work of Trent Sheffield, supervisor at College Works Painting, and his team for the job they did at my home in Holladay. Not only am I extremely happy with the quality of workmanship on my newly painted home, but also with the quick, efficient way Trent and his coworkers were able to accomplish this task.

To Whom It May Concern:

I am pleased to be able to recommend the work of Trent Sheffield, supervisor at College Works Painting, and his team for the job they did at my home in Holladay. Not only am I extremely happy with the quality of workmanship on my newly painted home, but also with the quick, efficient way Trent and his coworkers were able to accomplish this task.

From the beginning to the end of this job, Trent communicated clearly what College Works Painting would do and for what things we as the owners would be responsible. Trent made certain that all the promised elements of the contract were carried out and that we were happy with the results. Trent was always punctual and easy to contact if we had any questions. Because of Trent's outgoing, positive personality it was a pleasant experience to have him around our home for several days!

My husband and I were also impressed with Trent's perfectionism in his work as a manager and as a painter. He provided color samples on our brick and our trim which we were able to look at for several days before deciding if we had found the right color. Trent was at our home each day checking the work accomplished and making any suggestions as to the best way to improve the quality. He was very interested in whether we were happy with the job being done and how he and his crew could solve any potential problems.

Trent's coworkers were just as efficient and easy to work with as Trent! We were very impressed with the work of Steve Crosby, Dave Crosby, Scott Knudsen and Jeff Knudsen. These young men were polite, quiet and very hard workers. They were also willing to listen to our concerns and solve problems easily and quickly. I appreciated how Steve, Dave, Scott and Jeff cleaned up each day and were very respectful of our yard and home.

We are very pleased with the job which College Works Painting did on our home. We are also pleasantly surprised that having this work done was such a pleasant experience for our family. We credit Trent, Steve, Dave, Scott and Jeff for making this so.
