To Whom it May Concern -

Brianna Russell, Branch Manager for College Works
Painting, recently completed a very successful 3-day painting
project on our home in Fair Oaks, California.

Brianna was very professional and responsible. She
arrived consistently on time each day per the pre-determined
schedule, and she stayed until the job was completed to our
satisfaction. We did frequent "walk-arounds" together, so she
could answer any questions we might have & discuss plans for
the next day's work. She was always courteous, respectful
and dependable.

Without hesitation, we are very pleased to recommend
Brianna for other projects. She is a highly motivated
individual.

Sincerely,

Kathryn R. Beebe
