Just a quick note to address how pleased I have been with services that College Works Painting provided.

My initial contact was Jason Medlen who came out to do the estimate. He was very polite, knowledgeable, professional and friendly. He walked around the outside of my house, took measurements and went over every detail of what was going to be done. He answered all of my questions and that gave me the confidence your firm was my best choice.

His crew was also excellent. They were prompt each morning and worked steady all day. At the end of each day Jason did a "walk around" to make sure I was completely satisfied with the work that was done. I was also impressed with his ability to lead his men, and how well they all worked together as a team.

Again, I would like to say how pleased I am with your company. From start to finish it was excellent. Now the outside of my house is beautiful! I will be happy to recommend your company to anyone looking for exterior painting services.

Sincerely,

Mellie A. Richards
