I would like to write this letter of recommendation for Jourdan Miller and his crew from Student Works. Jourdan made sure the job was done completely and absolutely met our satisfaction.

To Whom It May Concern:

I would like to write this letter of recommendation for Jourdan Miller and his crew from Student Works. Jourdan made sure the job was done completely and absolutely met our satisfaction.

I appreciate the hard work Quong and Scott did on the house. They worked Regardless of weather and were professional and courteous.

This is the first experience I have had with Student Works, and I can honestly say that were it not for Jourdan's hard work and commitment to customer satisfaction, I would not have even tried to schedule a painting job for my home this summer. He made me relax and know that he would work until the job was done to my satisfaction.

Our home looks beautiful and I am so thankful we hired Jourdan and his crew. Thank-you for making this process so much easier than I though it would be.

Respectfully,

Shelley Pereboom
