To whom it may concern;

I employed College Works Painting to paint my Cape Cod style home in Abington, Pa. Brad Rauer and did an excellent job and I am very pleased with the finished result. They were very hard working, polite and clean. They stayed late into the evening to get the done, and all work was done when they said it would be. Brad's number one concern was that I was pleased with the job and that all work was done as specified.

I would not hesitate to hair them again for my future painting needs. It was a great experience from beginning to end.

Sincerely,

Elizabeth Hildebrandt
