To Whom It May Concern:

It is my pleasure to offer this letter of reference for Mark Lipke, Branch Operator for College Works Painting. He recently completed the painting on our Longview home

Our house is a three story home with very steeply sloped roof lines. I had painted some of the house, but was not interested in painting from a 30 foot ladder or from the steep roof, When Mark contacted me, we decided his company would complete the job.

Mark called us several times ensuring we were aware of the timeline and when our job would take place. The day before the painting, he and a worker cleaned the areas to be painted. Mark came the next day and tackled the project all in one day. As I have mentioned, although the job was not particularly long, it required working from a tall ladder and working from the roof.

Mark was thorough in his painting and I was impressed with the quality of his work. He used drop cloths and made sure there was no overspray or paint splatter. In summary, Mark did a great job and I can now put another house project to rest, I highly recommend Mark and his company for your consideration for your painting needs.

Sincerely,

Mark Hottowe
