I recently had my house painted by Annabelle Schillerdecker and her crew from *College Works Painting*. Annabelle was very responsive in returning calls and prompt in her scheduling. Her team proved to be very hard workers, were pleasant to deal with, and they completed the job in a very short time. Although I felt there could have been a bit more attention to detail, my concerns were addressed in a timely fashion. I feel that the house turned out well, and I am pleased with the final result.
