RE: Letter of Satisfaction

To whom it may concern:

This letter is to indicate my complete satisfaction with the work that Laura and her team did on my sidewalk. My sidewalk was converted with black mildew and green moss. Her team, led by Laura, power washed the sidewalk and it now looks great. They showed up on time, finished the work within the allotted time and left. I like my house very much and work hard to keep it "nice" and now the sidewalk fits right in! Very pretty!

Thanks Laura and team.

Sincerely:
