I recently contracted Dustin Scott to paint my house. His Crew Niki Forbis and Ryan Riouff came out and worked diligently until the job was finished.

To whom it may concern:

I recently contracted Dustin Scott to paint my house. His Crew Niki Forbis and Ryan Riouff came out and worked diligently until the job was finished. There was some confusion as to the specifics of the warranty, but it was worked out in an appropriate manner. Overall I would recommend Dustin and college works for a thorough job.

Sincerely,
