To Whom It May Concern:

This is to offer our appreciation for the painting job contracted to us by Tiffany Walker, representative of College Works Painting.

Ms. Walker's handling of the project was at all times courteous and professional, and so were her assistants who did the actual power washing and painting. We would highly recommend this program to anybody who would want a job well done at a reasonable price and with such pleasant people with whom to work.

Sincerely,

R.K. Perry
