We are pleased to recommend College Works to any property owners in search of a reliable crew of people who will perform an outstanding paint job.

We were initially impressed with Justin Selfridge's presentation and introduction into the College Works plan. Justin arrived on time and was very thorough while going through the walk-through with us. Painters Nick Jones and Kevin Christopher arrived everyday at least 15 minutes early with smiles on their faces, ready to get to work. All three young men worked continuously, and were extremely dependable which we found so refreshing. We were able to keep prior commitments and keep a personal schedule because we could count on them arriving on time and achieving their goals for a given day.

Our paint job turned out so nice, We are very pleased with the outcome and neighbors and walkers-by as well comment on how nice our home looks. Any touch-up work was taken care of right away.

We honestly can't remember the last time we were able to rely on a service as much as College Works and the fine young men that we a part of the organization.

If you would like to talk to us about College Works, you may ask Justin Selfridge to contact us, and perhaps we can arrange a phone call.

We are very satisfied customers!
