To Whom It May Concern:

We just had a wonderful experience with members of your company and my husband and I wanted to share it with you. Chris Byers approached us in June when he was doing a "walk-thru" in our neighborhood and asked about our untreated wood trim. After answering all our questions about College Works, we made arrangements for Chris to call us sometime after August 1st to set up a schedule for staining the trim.

True to his word, he called....we picked out a color and set up a schedule. The next day, Chris dropped off the supplies and Kim and Vince arrived on the scene. In some of the most brutal heat that the Midwest has seen in years, these young people did an absolutely wonderful job of power washing, caulking where needed and staining all the wood trim around the entire house!

They were so good about removing our downspouts and even our house members to be sure all exposed wood was stained. These are three of the nicest young people we've ever encountered. We are thrilled with the job they did and wouldn't hesitate to recommend them to anyone. And we, ourselves, wouldn't hesitate to recommend them to anyone. And we, ourselves, wouldn't hesitate to use your services again. Thanks to all of you for a job well done!

Sincerely,

Mary and Allan Wantroba
