

College Works Painting Reference Letter

We had our entire outside of our home painted by Ryan and his crew this June. My wife and I were very satisfied with the work.

June 2006

To all potential customers of Ryan Gattoni and College Works Painting,

We had our entire outside of our home painted by Ryan and his crew this June. My wife and I were very satisfied with the work. To me something else is even more important and that is, 'Doing what you say you're going to do!' Ryan did exactly what he said and for that we were extremely satisfied and recommend Ryan to anyone that might be reading this. We are very picky customers and want things done a certain way. We had four bids and even thought College Works Painting might have been a little more we felt very comfortable with Ryan himself and his presentation. Ryan delivered everything he said and more!

(The worth of a person is measured by his word. Ryan is a good young man. I would love to see where life takes him)

Sincerely,

Joseph, Lynn and Joey
