I am usually a Do-It-Yourselfer but this year there were too many projects and not enough time. Reluctantly I decided to contract with your crew here in Taunton Mass, They seemed very enthusiastic and sincere, so I agreed on a reasonable estimate to paint the 3 remaining sides of my house.

College Works Pointing

Dear Crew Management

I am usually a Do-It-Yourselfer but this year there were too many projects and not enough time. Reluctantly I decided to contract with your crew here in Taunton Mass, They seemed very enthusiastic and sincere, so I agreed on a reasonable estimate to paint the 3 remaining sides of my house.

I am very impressed with the professionalism, courtesy, and quality I received, I am pleased with my decision to hire them and would recommend Leslie Viveiros, and Dan Gamache to any of my friends and neighbors. If the need ever arises again, I would have them paint for me.

Please give them my thanks.

Best regards,

Michael A. Roy
