To Whom It May Concern:

I recently had my house painted by a crew from College Works headed by Henry Siemon. Henry was very competent. He had the crew here when he said he would. Both Dan Spadola and Will Carpenter who comprised the crew did excellent work. They were hard working when they were here, showed up on time, and were always polite and friendly. I have received many compliments on the finished product I would certainly again hire all three young men.

Sincerely,

Susan Garry
