Sandy, Utah 84092

We recently contracted the subject painting company to paint the outside of our home. We were completely satisfied with the job. The painting contract was negotiated by Mr. Dave Roderick and every aspect of the agreement was successfully completed. The painting crew (Chris and Jake) were hard working, respectful of the property and, in general, very pleasant young men. The supervisor were frequently here to inspect the progress to assure that the work was completed as agreed.
