My husband and I are very please with the results we received from Ervin Ling and his team. At first we were hesitant to sign on, because of the team being so young, however, they proved us wrong.

Dear College Works Staff,

My husband and I are very please with the results we received from Ervin Ling and his team. At first we were hesitant to sign on, because of the team being so young, however, they proved us wrong. We thought they did an excellent job on our raise ranch home. The team completed everything we agreed on in a timely fashion. We would definitely hire College Works again.

Thank you Ervin and your team.

Sincerely,

Sharen Fox
