I am writing you to commend the way Chris Labbe handled the project of staining my home. Chris was always professional, thorough, conscientious, and reliable during the entire process from the initial estimating phase until the cleanup at the end.

College Works Painting

To whom it may concern:

I am writing you to commend the way Chris Labbe handled the project of staining my home. Chris was always professional, thorough, conscientious, and reliable during the entire process from the initial estimating phase until the cleanup at the end.

The weather this summer of continuous rainy days made scheduling and working difficult, and Chris made no false promises. He kept me informed of where he was in his schedule, and was able to complete the staining in a very timely manner. The house is in excess of 5000 square feet of surface area with some difficult roof angles yet Chris with the assistance of Justin Swenyer, a very competent and reliable young man got the job done.

I am very pleased with the outcome.

Sincerely,
Paul Sahler
