To Whom It May Concern:

June 21, 2005 College Works Painting's Dan Sellars began preparations on our Home to paint.

Dan with crew of Jay Jones, Rex Shepard, Zach Walsh, Dan Peterson & Alex Nase began spraying the house with base color on Thurs & Fri, worked on Trim Fri & Sat. Sat evening we had a walk around with Dan & crew with some concerns. The boys all listened to them.

Dan & Crew were back on Monday with a good attitude. They worked hard to complete the Job to our satisfaction. Which they did & we are pleased with the end result.

Dan was a good crew leader, he will go far in his business world after college.

Sincerely,

Lee & Ann Rhoads
