

College Works Painting Reference Letter
Bob Kiefer

In May of 2004, I contracted student, April Prothero to paint the trim and foundation of my home in Tempe, Az. I heard about April and Collegeworks painting through word of mouth from my son, Chris Kiefer. He had already had work done by April and was very pleased.

To Whom It May Concern:

In May of 2004, I contracted student, April Prothero to paint the trim and foundation of my home in Tempe, Az. I heard about April and Collegeworks painting through word of mouth from my son, Chris Kiefer. He had already had work done by April and was very pleased.

On the date promised, April and her crew, Mike G and Mike R, showed up to do the job. They finished in half the time estimated, and did an excellent job. I would recommend April and her crew for anyone's painting needs.

Thank you for the opportunity to be part of a college student's learning experience.

Sincerely,

Bob Kiefer
